

CONSULTING SERVICES

We advise companies on buying and selling businesses, raising capital and managing risks, which enables them to grow.

We advise national governments across Africa on how to attract more FDI or how to have access to capital via our network of partners.

We help our clients find investors to allow them to remain efficient and liquid, so investors and companies can meet their needs, whether to invest, raise money or manage risk.

Bellow the list of services we are able to provide:

- Real Estate Development:
 - Land Acquisition;
 - Property Transaction;
 - Master Plan & Detail Design coordination;
 - Project Approval & Building permit;
